

## A Dog's Day

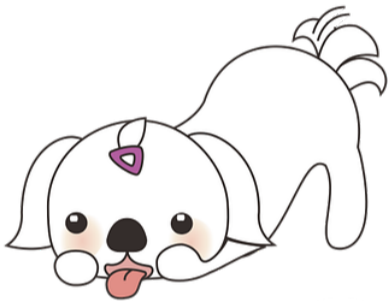

Daisy did not like when her mom went to work. Daisy was sad and lonely without her mom to play with her. Daisy cried and cried.

She tried eating her food. The food tasted very good, but Daisy was still sad.

She tried chewing her bone. She chewed and chewed. She loved to chew her bone, but she was still sad.

She tried wagging her tail. She wagged and wagged, but Daisy was still sad.

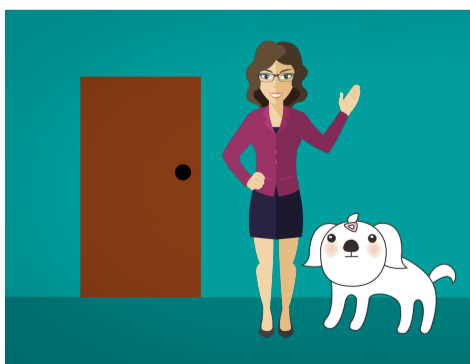

She tried playing with her toys. She played and played. She liked to hear the squeak, but Daisy was still sad.

Daisy was tired from all her hard work. She was also tired of being sad. Daisy yawned and stretched.

Daisy took a nap. She liked to nap. Daisy dreamed of her mom.

Suddenly, someone opened the door. Daisy woke up. It was her mom. Daisy was so happy! She barked and barked.
